IN-HOUSE WEB DEVELOPER

Status: Two month temporary contract

Dates: 17th July to 18th September

Location: Victoria, London

MINIMUM 3 YEARS OFFICE EXPERIENCE

About Us

Inception Group is a fun, creative and fast growing hospitality company founded in 2009 by entrepreneurs Charlie Gilkes and Duncan Stirling. The company operates a group of twelve unique bar, restaurant and club concepts in Southwest and central London. Our mission is to bring people together and to entertain them with unique and memorable experiences.

About The Temporary Role

You will be providing cover for a team member who has had to take a temporary leave of absence for family reasons.

You will be looking after the on-going support, improvement and maintenance of the following Wordpress sites.

Plus a single internal/intranet wordpress site

Most of these used Advanced Custom Fields, custom post types and customised PHP. They are generally completely custom built (i.e. not relying on Wordpress templates). A working knowledge of the above is essential for the position.

As well as the current site we are looking to build a new wordpress based website over the period of this contract.

You will be joining a small friendly team of design creatives. However, please note that you will be the sole developer so must be able to troubleshoot issues independently.

Expectations

- You must be capable of building and maintaining several websites, both staging and live areas.
- To gather a clear understanding of company style and expectations.
- Take a self-directed and very organised approach to workflow management with excellent organisation skills in order to meet or stay ahead of all deadlines. You will also be able to guide and train others with these skills and map out projected progress for more complex projects.
- Ensure website security by updating all plugins regularly and taking other preventative measures.
- Contributing creative ideas and input to all project briefs.
- Be excited to improve PageSpeed, optimise and following web best practices.
- Ability to effectively manage multiple projects/tasks of varying complexities, meet tight deadlines and work well under pressure.
- You will develop best practices and documentation to enable future growth as well.
- Facilitate constant communication of status of projects to colleagues and managers.

Requirements

- Minimum of 3 years working in an office environment as a developer, working with designers to produce websites of a high standard.
- A keen eye for detail – ability to convert designs to user-friendly web pages
- Knowledge of UX principles and best practice.
- Ability to produce comprehensive wireframes using client briefs and UX research.
- Good understanding of SEO principles and ensuring that applications will adhere to them.

Technical

- Responsive web & email experience
- Experience in cross-browser testing and rectifying compatibility issues
- HTML5, PHP & MYSQL
- Wordpress Theme & Plugin development
- Good understanding of Wordpress Custom Post Types
- Understanding of Advanced Custom Fields
- Javascript, Javascript Libraries & Frameworks (jQuery etc)
- API (Google Maps, Facebook, Youtube etc)
- CSS, CSS3, frameworks (familiarity with the likes of Bootstrap or Foundation)
- Version Control (Git, Gitlab, Github etc)
- Adobe Suite (especially Photoshop & Illustrator)

Preferred

- Project management experience
- Have worked with both in-house teams and external agencies
- Familiar with Trello and Slack

Culture

- "Can't be done" is not part of the Inception Group vocabulary.
- The company hires people who push themselves, who want to be stretched and challenged every day.

You must also have indefinite right to live and work in the UK and be able to work onsite at our office in Victoria during our normal working hours of 9:00-6:00pm Monday to Friday, with the ability to work late when needed.
