

Floor Manager

New Opening at Battersea Power Station | £31 - 34k

We are delighted to announce the opening of the Control Room B 1950s cocktail bar inside the iconic Battersea Power Station. WE WANT YOU - We are looking to recruit and train a full team asap, so apply today.

About You

- At least 1-year management experience in a fast-paced bar or restaurant
- Able to provide leadership and direction to floor team
- Overseeing and onboarding all new starter inductions
- Ensuring impeccable presentation of venue, staff, and self at all times
- Maintaining and driving service standards in all areas of the business
- Ensuring a consistent standard of customer service
- Maintaining brand identity
- Creating a positive work environment for the staff encouraging their career development
- Recruiting, training, and developing floor team
- Motivating employees and ensuring a focus on brand values
- Delivering induction and legal training for all new team members
- Working with the floor teams to reach set targets
- Ability and desire to lead by example

About the Venue

“Mimicking the brutalist, steel-and-ceramic-clad style of the restored room, originally built during the Forties and Fifties, the bar will use mid-century inspired furniture and glassware, while the arced central bar is said to have been inspired by turbines. As a nod to the technicians who worked in the room before it closed in 1983, staff will be dressed in white boiler suits”
