

Host & Hostess

New Opening inside Battersea Power Station | £15

We are delighted to announce the opening of the Control Room B 1950's cocktail bar inside the iconic Battersea Power Station. WE WANT YOU - We are looking to recruit and train a full team asap, so apply today.

We are currently looking for an enthusiastic and energetic individual with a passion for the hospitality business and a focus on customer service. As a Hostess, you will be the first impression on the guest and will be responsible for ensuring that every guest gets a personalised warm welcome. Customer experience is at the centre of our philosophy and therefore excellent communication skills, bright and engaging personality is a must!

About You

- Provide professional, warm and engaging service.
- Be charismatic and confident with customers as you are the first person they meet.
- Demonstrate a good level of spoken and written English with the ability to communicate confidently.
- Endeavour to be knowledgeable about all areas of the business and be a reliable source of information whether via the phone or in person.
- Wear full and correct uniform always

About the Venue

“Mimicking the brutalist, steel-and-ceramic-clad style of the restored room, originally built during the Forties and Fifties, the bar will use mid-century inspired furniture and glassware, while the arced central bar is said to have been inspired by turbines. As a nod to the technicians who worked in the room before it closed in 1983, staff will be dressed in white boiler suits”
