

CAHOOTS

Host

What-ho! The Captain wants you!

Imagine working in an abandoned 1940's tube station right in the middle of Soho!

Cahoots transports guests back in time, to post-war 1940s and to a disused Ticket hall, underground tube station and secret control room featuring dazzling cocktails, swing dancing, 3 part harmony trios, DJs and sing-a-longs around an old piano.

Come and join our team of scoundrels in London's most iconic cocktail bar.

We are on the hunt for people who want to let their personality be the face of our business as a host. We want to see a bundle of personality, to make our experience as immersive as possible.

'Hospitality not service is our motto' and we are looking for people who are fun, a bit quirky and love to create amazing experiences. Our goal is to create unique and memorable experiences - and for that we need unique and memorable people!

Pay is competitive and depending on experience level
(between £12.00-£14 per hour)
