

# CONTROL ROOM B

**Job Title: Bartender**

**Location:** Control Room B, Battersea Power Station, London

**Salary:** On Target Earnings: £11.44 an hour inclusive of a service charge which will be confirmed separately in writing by the Troncmaster.

Control Room B at the historic Battersea Power Station is looking for an experienced bartender to join our vibrant team. This unique venue, styled with iconic 1950s industrial decor, promises guests an immersive and unforgettable experience. We're seeking a passionate bartender ready to deliver exceptional service, elevate the guest experience with expertise, and bring a genuine, engaging presence to every interaction.

## **Key Responsibilities:**

- **Craft Signature Cocktails and Serve Menu Items:** Skillfully prepare and present specialty cocktails and drinks from our curated menu, embodying Control Room B's distinct style.
- **Provide Exceptional Guest Service:** Engage warmly with guests, ensuring they enjoy a memorable, personalised experience in our historic setting.
- **Maintain Venue Ambiance:** Support the lively, high-energy atmosphere by bringing personality, energy, and professionalism to each shift.
- **Recommend and Upsell:** Utilise your knowledge of our cocktail menu to recommend drinks and upsell options that align with guests' tastes.
- **Support Team Operations:** Work closely with fellow bartenders, floor servers, and other team members to ensure smooth and seamless service.
- **Adhere to Health and Safety Standards:** Follow all health, safety, and cleanliness protocols to maintain a welcoming, safe environment.
- **Handle Guest Inquiries and Challenges:** Address guest questions, requests, and any service challenges with professionalism, ensuring Control Room B's high standards are upheld.

## **What we are looking for:**

- **Bartending Experience:** At least one year of bartending experience in a high-energy bar or restaurant setting.
- **Passion for Mixology and Guest Interaction:** Genuine enthusiasm for creating memorable drinks and experiences for guests, with a love for the art of mixology.
- **Outgoing, Team-Player Personality:** A warm, engaging approach, ready to collaborate with a close-knit team.
- **Flexibility and Reliability:** Willingness to work **late nights, weekends**, and busy shifts with a positive, adaptable mindset.
- **Excellent Communication Skills:** Confident, clear communication to connect effectively with guests and team member

## **What we offer:**

- **On-Target Earnings:** £11.44 an hour, inclusive of a service charge, confirmed separately in writing by the Troncmaster.
- **Perks and Benefits:** Complimentary staff food and soft drinks during shifts, exclusive discounts at Inception Group venues, and monthly team socials.
- **Training and Growth:** Comprehensive training on Control Room B's history, decor, and cocktail offerings, with future growth opportunities within the Inception Group.
- **Dynamic, Unique Work Environment:** Be part of a celebrated venue in a high-energy, supportive team.

## **How to Apply:**

Please send your CV. If you're excited to be part of an iconic setting, deliver top-tier service, and bring your bartending skills to a dynamic environment, we'd love to hear from you!
